## WE ALWAYS HAVE ROOM(BA) FOR A LITTLE FUN

September 30, 2017

WASHINGTON, DC ~ Armed Freedom

After this past week's wreckage – both natural and political - it's time for yours truly to chill out a bit. Who knows, I might even turn off my electronic devices and go nowhere *very slowly* and back again with simpatico friends. A canal boat cruise (*sans* mule) might be quite restorative.

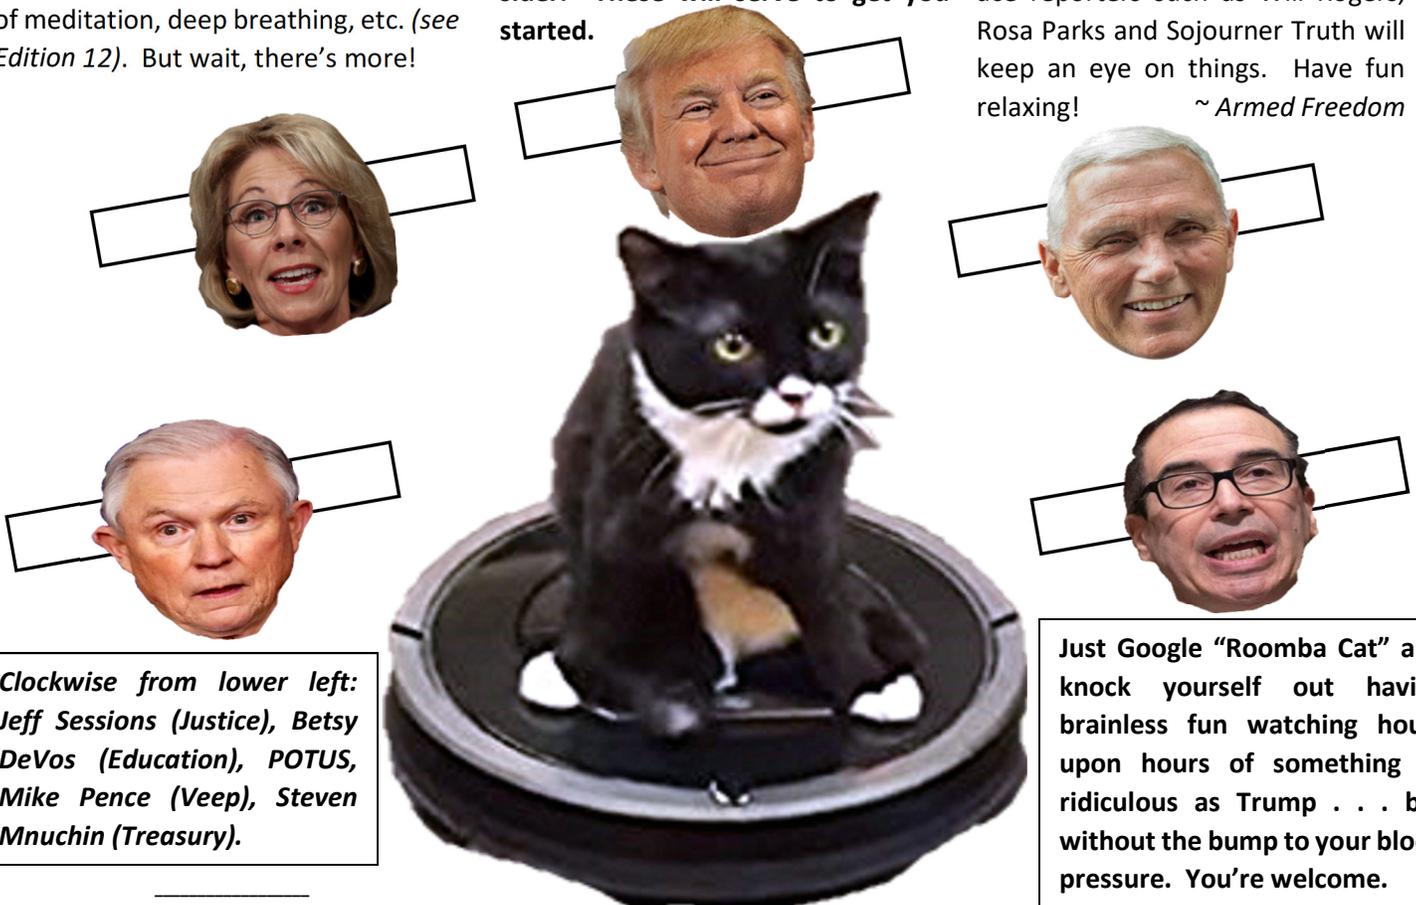

Perhaps *you* can find a way to relax a bit as well. Even if you must remain chained to your desk, you can do a bit of meditation, deep breathing, etc. (see *Edition 12*). But wait, there's more!

**ACTUALLY**, you might have some fun going brain-dead and watching the innumerable videos of cats riding around a room while sitting on a Roomba. One is even dressed as a shark. (see *Page 3*).

As an aid to regaining your mental health, we suggest you put various well-known political figures onto the Roomba and place them in some appropriate environment, as illustrated on Page 2. There are so many politicos and environments to consider. These will serve to get you started.

Just print this edition, cut out the Roomba Cat and the heads of those who are making America's nerves grate again. Then, fold the head-tabs around the Roomba Cat and put them in a suitable environment. Who knows, maybe *The Washington Post* will steal this idea and run it as a successor to the now defunct Easter Peeps Diorama Contest. You could be a Weiner!<sup>1</sup>

I'll be posting more satire toward the end of October. Meanwhile, my ace reporters such as Will Rogers, Rosa Parks and Sojourner Truth will keep an eye on things. Have fun relaxing! ~ Armed Freedom

Clockwise from lower left: Jeff Sessions (Justice), Betsy DeVos (Education), POTUS, Mike Pence (Veep), Steven Mnuchin (Treasury).

Just Google "Roomba Cat" and knock yourself out having brainless fun watching hours upon hours of something as ridiculous as Trump . . . but without the bump to your blood pressure. You're welcome.

<sup>1</sup> Hey, let's practice bi-partisanship! Cut out a head of Anthony Weiner and add it to your collection!

# KEEPING HIS CAMPAIGN PLEDGE TO "CLEAN HOUSE," TRUMP'S ADMINISTRATION GOES TO WORK

*Roomba Trump cleans up Puerto Rican Streets after Maria.*

*Roomba Trump restores order to Mar-a-Lago golf course after Hurricane*

*Roomba DeVos cleans up discarded school vouchers littering a classroom.*

*Roomba Pence and Roomba Sessions try to clean out the drain to the Washington Swamp.*

*Roomba Mnuchin sucks up the only money left in the U. S. Treasury following enactment of the GOP's Tax Reform scheme.*
